

PRAISE FOR J.K. ROWLING'S

HARRY POTTER

AND THE CHAMBER OF SECRETS

“Those needing a bit of magic, morality and mystical worlds can do no better than opening *Harry Potter and the Chamber of Secrets*. As she did in *Harry Potter and the Sorcerer’s Stone*, Rowling delivers plenty of ghoulish giggles. And in young Potter she has created a hero as resourceful, brave and loyal as Luke Skywalker himself.”

— *USA Today*

“*Harry Potter and the Chamber of Secrets* is a wonderful sequel, as suspenseful, charming and ultimately satisfying as its predecessor.”

— *The Los Angeles Times*

“Harry’s enchanted world is a refreshing break from the all-too-familiar settings of many of today’s novels.”

— *The Wall Street Journal*

“Life at Hogwarts is chock-full of surprises. Rowling is clever and witty and fills each chapter with mystery, suspense (and on occasion terror), as well as humor.”

— *St. Louis Post-Dispatch*

★“Fans who have been anxiously awaiting the return of Harry Potter will be amazed afresh. Rowling might be a Hogwarts graduate herself, for her ability to create such an engaging, imaginative, funny and, above all, heart-pounding suspenseful yarn is nothing short of magical.”

— *Publishers Weekly*, starred review

★“Fans of the phenomenally popular *Harry Potter and the Sorcerer’s Stone* won’t be disappointed when they rejoin Harry, now on break after finishing his first year at Hogwarts. The novel is marked throughout by the same sly and sophisticated humor found in the first book, along with inventive, new, matter-of-fact uses of magic that will once again have readers longing to emulate Harry and his wizard friends.”

— *School Library Journal*, starred review

★“Harry Potter’s exploits during his second year at Hogwarts completely live up to the bewitching measure of *Harry Potter and the Sorcerer’s Stone*. The magical foundation so necessary in good fantasy [is] as expertly crafted here as in the first book.”
