

PRAISE FOR J.K. ROWLING'S

HARRY POTTER

AND THE GOBLET OF FIRE

"I'm relieved to report that Potter 4 is every bit as good as Potters 1 through 3. . . . The fantasy writer's job is to conduct the willing reader from mundanity to magic. This is a feat of which only a superior imagination is capable, and Rowling possesses such equipment."

— Stephen King, *The New York Times Book Review*

"J.K. Rowling proves once again that she is a riveting storyteller . . . the kind of reading experience that has you charging headlong through the book, oblivious to the outside world."

— *The Philadelphia Inquirer*

"As the midpoint in a projected seven-book series, *Goblet of Fire* is exactly the big, clever, vibrant, tremendously assured installment that gives shape and direction to the whole undertaking and still somehow preserves the material's enchanting innocence. . . . This time Rowling offers her clearest proof yet of what should have been wonderfully obvious: What makes the Potter books so popular is the radically simple fact that they're so good."

— Janet Maslin, *The Wall Street Journal*

"An engaging novel that is compelling, accessible, and impressively even in quality. . . . Rowling has the rare ability to take children's fantasy worlds and their workaday worlds with equal seriousness, and she speaks to both in *Goblet of Fire*."

— *The Boston Sunday Globe*

★ "The fourth Harry Potter adventure, centering on an inter-school competition, boasts details that are as ingenious and original as ever. Surely catching readers off-guard must get more difficult with each successive volume, but somehow Rowling plants the red herrings, the artful clues and tricky surprises that disarm the most attentive audience. A spectacular climax will leave readers breathless."

— *Publishers Weekly*, Best Books of 2000

★ “Harry’s fourth challenging experience will more than live up to his myriad fans’ expectations. . . . The carefully created world of magic becomes more embellished and layered, while the amazing plotting ties up loose ends, even as it sets in motion more entanglements. . . . Let the anticipation begin.”

— *Booklist*, starred review

“J.K. Rowling delivers the goods. . . . This book (all 734 pages of it) is a rich, rewarding novel — funny and sad, exciting and heroic.”

— *The Seattle Times*

“J.K. Rowling has done it again. *Harry Potter and the Goblet of Fire* is a marvelous book.”

— *The San Antonio Express-News*
