Master storyteller and beloved author **David Baldacci** is back and delivers a shockwave of shattering revelations in **The Width of The World**, latest installment in his #1 global bestselling Vega Jane fantasy series.

This is it. Vega Jane’s time. She’s been lied to her whole life, so she breaks away from Wormwood, the only home she’s ever known, in search of the truth. She battles horrors to fight her way across the Quag with her best friend, Delph, and her mysterious canine, Harry Two. Against all odds, they survive unimaginable dangers and make it through.

And into a new world that’s even worse. Not because deadly beasts roam the cobblestones, but because the people are enslaved but don’t even know it. It’s up to Vega, Delph, Harry Two and their new comrade, Petra, to take up the fight against a foe that’s unrivaled in savagery and cunning. Not only is Vega’s life and the lives of her friends on the line, but whether she triumphs or fails will determine whether a whole world survives.

David Baldacci is a global #1 bestselling author. His career started with *Absolute Power*, which was adapted into a major motion picture starring Clint Eastwood.
